

# SANKALP

## 2020

START  
UP

**GLISTERS OF INNOVATION**

# **KALPNIC YANTRIKI**

## **Rules:**

- ✚ *Participants have to come in a team of 2.*
- ✚ *The event will be conducted in number of rounds.*
- ✚ *Teams consisting of girl participants will be awarded bonus points for each girl.*
- ✚ *The event is aimed at testing team coordination, presence of mind and agility of the participants.*

## **About the event :**

- Hosts will dismantle the assemble part before the team. Then the teams will be handed over the required tools and asked to assemble the parts on their own while one member of team is blind folded & other will guide his/her team mate in the least time possible.
- The maximum time limit is 3 minutes, within which if the teams don't complete the assembly then they will be asked to submit their tools.
- The judges will verify whether the parts are assembled properly or not. Keeping in view the time taken and accuracy in assembly, points will be awarded to each team.
