# “PictoCode”

**Short description:** This event is mainly related to pictures where the participants have to play in coordination and guess the word or code behind the pictures and also connect the pictures for a meaningful word.

**Introduction to the event:** Maximum members=2

Round 1: Logo Game

One member of a team will given a logo and he/she has to choose among these two options;

Option 1-> Show the logo without saying anything and there will be 30-40 sec for the partner to write the answer.(15 points)

Option 2->Describe about the logo with your actions and there will be 30-40 sec for the partner to write the answer.(30 points)

A team can play it 4 times.

A team scoring more than 75 marks will be qualified to the next round.

## Round 2: Guess the word

They will be shown some pictures or short messages which they have to connect and depict a technical meaning out of the given data.
