

GLISTERS OF INNOVATION

MANOGAT PRASTUTI

Short description:

Your ability to envision the future is strongly influenced by your Memory of the past. Advancements in technology is an area where past events can provide a good indicator of how future events can transpire as inventions inspire and lead to the development of other inventions. This is especially true when the technological achievements are driven by or impact social trends.

Introduction to the event:

Name of the event 'MANOGAT PRASTUTI' in which participants have to come with their ideas containing all the issues pertaining to the problem statement. Because we ECO Walkers believe that a small idea can create a huge difference with the conventional business in the market.

Registration process:

Students are allowed to register for the event through OIS.

Problem statement:

The problem statements contains following domains:-

1:- MOBILITY

2:- FOOD

3:- ENERGY OPTIMIZATION

4:- GREEN TECHNOLOGY
