GLISTERS OF INNOVATION

Short description:

EVENT 2- GANTAVYA

Gantavya is an event organized by **NIST Counselling Services**. According to theme “NETRA” this event basically it focuses on how the participants will implement his/her skills to showcase his/her level of concentration, patience and accuracy to grasp any environment.

Introduction to the event:

GANTAVYA

Gantavya has been divided into three levels according to the theme:-

In round 1: STRIKE THE GLASS. Participants have to blow air into the balloons and they have to strike the glasses with the help of the air in the balloon. In round 2: TIC TAC TOE In this stage they have to flip the glass and place the glasses in the tic tac toe board. In Round 3: EAGLE’S EYE. In this the participant have to put the ball on the surface and to score the points by hitting the target board.

Registration process:

1. The participants need to register themselves as a team of 2 members via the Google form whose link is given :- <https://forms.gle/8ecuyBFTspJfDaqJA>
