GLISTERS OF INNOVATION

Mirror Mates

Short description:

Quizzing is the essence of knowing the ourselves and our surroundings. Knowing this Quizzards aims to spread this essence.

Introduction to the event:

Club Quizzards has come up with an event 'Mirror mates' for Sankalp 2k20. It aims to spread awareness of the events by organizing a quiz and provide fun to the participants.

Registration process:

The registration has to be done in pairs.

It's an open event .

Round 1:

The first round consists of a written round with questions from current affairs and qualitative reasoning.

Round 2:

The participants who qualified the first round will compete against each other in this round. In this round a set of words would be provided to one member of team, who would try to

convey the word to the other without speaking the specified taboo words. Its just a modification of a classic game dumb charades
