GLISTERS OF INNOVATION

AMBU YUKTI

The competition requires participants to design and fabricate their own boats and perform a set of manoeuvring in the provided arena.

Participants will have to come in a group of two, with their own Boat.

The event will be conducted in 3 rounds, to get the top 4 teams.

****NOTE:** Number of rounds may vary depending upon the total number of participants before the Event.

ROUND 1:

- **Elimination round:** 2 team will compete against each other at a time, in the provided arena. The team winning the round will move to the next round. The losing team will be eliminated from the event.

ROUND 2:

- **Elimination round:** 2 team will compete against each other at a time, in the provided arena. The team winning the round will move to the next round. The losing team will be eliminated from the event.

QUALIFIER ROUND:

- In this round, each team will race their boat to complete the given objective, individually. After all the teams has finished their tasks, the top 4 team will move on to Semi-finals. Ranking will be decided by the time taken to complete the tasks.

SEMI FINAL:

- 2 teams will compete against each other at a time, in the provided arena. The team winning will move to the finals.

FINALE:

- The remaining two teams will compete against each other at a time, in the provided arena. The First team to complete the task wins the mega event – **AMBU YUKTI**.
