UP

Teevra

Short description:

Depicts the symbol of being quick and energetic, and is relevant to Tejovat, the "third pillar of 'Netra'.

The number of participants allowed in a team is 2.

The event is divided into 3 phases :

1. Being "selfie-ish"

2. Peek a Boo

3. Eureka

Introduction to the event:

1. Being Selfie-ish

Participants in a pair will have to prospect the entire campus and will have to snick their best selfies out with an appropriate caption depicting the theme. The participants with the best captions will be entitled to the next round.

2. PEEK A BOO

Collages with different pictures of a particular category will be shown to the participants for a limited amount of time. The participants need to memorize the images and jot it down. More the number of correct guesses, more will be the chances of a reserved place for third round.

3. EUREKA

Who doesn't like mysteries? The third round is a Word hunt round where the participants need to trace up the letters of EUREKA within the campus, with the help of clues. The team who turns up all the 6 letters first shall be entitled as winners.
