GLISTERS OF INNOVATION

“SAMEDHIT KSHETRA”

Short description: This event is mainly related to game zone consists of different types of AR(augmented reality) like games ,animations etc.

Introduction to the event: This event describes a game which is based on augmented reality(AR) where we can see, we can judge and we can conquer. **Augmented reality(AR)** is a technology that superimposes a computer generated image on a user’s view of the real world. For this event, mainly we need multiple laptops, one empty room with power supply, benches etc. we design this game with multiple software (blendar ,unity).This game is mainly related to gaming purpose.
