SANTALE 2012 201

GLISTERS OF INNOVATION

SPECTROMAZE

Short description:

Quizzing is the essence of knowing the ourselves and our surroundings. It comprises of the collective knowledge one attains from day to day events in daily life.

Introduction to the event:

Club Quizzards has come up with an event 'Spectromaze' for Sankalp 2k20. It aims to spread awareness of the events by organizing a quiz.(the general quiz of sankalp).

Registration process:

Its a team event and each team consists of two members.

Round 1:

The first round consists of a written round.

Round 2:

The participants who qualified the first round will compete against each other in this round. There will be no domain for

the question but they will be fron trending topics in the present world.

Events Coordinator:

Swati: 9583338017
